Friday 12th September 2020

Dear Parents,

We've started to use a new system called Evidence Me which allows us to share what your child is doing in school.

The 'Parent Share' feature in Evidence Me enables you to view reports (complete with photos) via the app or web suite, showing you what your child has been learning and the new skills they are developing. We think these reports will really brighten up your day!

You can send us your comments and feedback by simply adding them to the reports. This will help our staff to support your child even more effectively in the classroom.

You can also take an active role in contributing to your child's observation portfolio by uploading your own observations, simply add these to the app or web suite.

You can also take an active role in contributing to your child's observation portfolio by uploading your own observations, simply add these to the app or web suite.

You should have already received an email from [support@2eskimos.com](mailto:support@2eskimos.com) asking you to confirm that you would like to participate. Make sure you check your spam/junk inbox as sometimes emails can get lost in there. If you have not received this email please let us know.

Participation is optional, but we really recommend getting involved. If you have any questions or need any additional information, please contact the school directly.

Please visit <http://help.evidence.me/evidence-me-help-for-parents/> for further information and guidance.

I hope you enjoy viewing your child's observations and we look forward to viewing your observations and comments from home.

Should you have any other questions then please feel free to ask your class teacher.

Kind Regards

**Mrs Marsh**  
**EYFS Leader & Nursery Teacher**
