Dear Parents,

With the Olympics happening this year and after our recent visit from Olympic medal winner, Hannah Mcleod we thought it would be good to get involved in the Get Set Travel to Tokyo challenge:

<https://www.getset.co.uk/travel-tokyo>.

The challenge involves each class logging any physical activity they do in and out of school on the Get Set website. It's really simple and quick to do and hopefully will be an exciting competition to see which class is the most active. We could also have the chance of winning some great prizes for our school such as new PE equipment or visits from athletes.

The website recommends lots of fun 10 minute active challenges that families can easily do at home. It would be great if you could encourage your child to be active at home and then log the different activities they do.

When logging activity for your child, put the time that they were active for and add the number of children that did the activity in the 'who took part' section. This will go up to 5 and any more than that will be registered as 5+, so all the family can get involved!

What you need to do

1. Visit <https://www.getset.co.uk/travel-tokyo>
2. Click on Trip to Tokyo Tab
3. Scroll to bottom of page and click on log activity tab
4. Type in school's post code OX16 9NH
5. Click on your child's class team name
6. Log activity.
