Friday 29th November 2019.

Dear Parents,

Event: End of World War Two topic party

Date: Monday December 9th

Times: 1.30pm onwards in the Year 5 classrooms

Cost: £1.00 donation toward food ingredients.

To celebrate the end of our fantastic topic of World War Two, we would like to hold an end of topic party. We are keen for the children to experience a street party style celebration, with food and drink similar to what may have been made from rationed foods. We invite the children to dress up for the occasion, wearing blouses and shirts or anything they feel would be appropriate for the occasion. We will be making party hats, flags and bunting in class to help make the occasion and classroom feel authentic. Whilst we will eat in one classroom, the parallel class will be set up for games and 1940s fun!

We hope you will agree that this will be a great way to end a fantastic first term and something the children will remember for a long time.

Kind regards,

Miss Fowler and Mrs Thomas
Year 5 Class Teachers
