Friday 27th September

Dear Parents,

We would like to invite you to experience a Maths shared lesson. It will take place on Thursday 17th October between 8.45 and 9.45.

We will be demonstrating how we apply Mathematical strategies to problem solving through a range of exciting activities.

We hope that joining us for our shared lesson you will be able to celebrate your child's learning and achievements in school.

If you are able to attend, please sign in via the office at reception to collect your visitor's pass and come up to the cloakroom entrance of our class. Younger siblings are welcome but will need to be closely supervised by you.

We look forward to seeing as many of you as possible.

Best wishes

Miss Ross
Year Four Teacher
