Dear Parents,

I know it will seem a little early to be thinking about Christmas, but I thought that this would be a fantastic opportunity for our budding artists. Once again, our local MP, Victoria Prentis is running her Christmas Card competition. Entry is open to all primary school children and the winner will have their design printed on the front of her Christmas card. I would ask you to make the designs on white paper/card and as a flat design. Colourful, creative designs are encouraged, but don't forget the theme of the Christmas card! Every year a theme is set and this year's theme is: **Mary and Joseph.**

It would be great to see as many of our children as possible enter this competition, especially as we had a winner and a runner up last year! However, in order for the designs to arrive at the constituency office for judging on time, the designs would need to be back in school by **Wednesday 30<sup>th</sup> October 2019.**

Last year, we had lots of beautiful festive designs and I am looking forward to seeing this year's entries!

Good luck everybody.
