	2	1	3	

English

Keyword	Definition		
Noun	A naming word for things, animals, people, places and feelings. Can be common, proper, concrete, abstract or collective.		
Adjective	A word which describes a noun .		
Adverb	A word which describes how a verb action is being carried out.		
Conjunction	A conjunction is a word that joins words, groups of words or sentences together. Co- ordinating conjunctions include 'and', 'but' and 'so. Subordinating conjunctions include, 'because', 'if' and 'until'.		
Expanded noun phrase	A noun phrase contains a noun, plus words to describe it – for example 'The spotty, black dog'.		
First person	A sentence is written in the first person if it is written from the point of view if the subject – using the pronouns 'I' or 'we'.		
Fronted adverbial	Words or phrases used at the beginning of a sentence, used like adverbs to describe the action that follows. For example, 'With a happy smile, she skipped into the room'. It can describe when, where, how or why that verb happened.		
Prefix	Letters that go in front of a root word and change its meaning, for example, 'un-' (happy/unhappy), 'dis-' (appear/disappear), 're-' (act/react).		
Suffix	A string of letters that go at the end of a root word, changing or adding to its meaning. Suffixes can also show if a word is a noun, verb, adjective or adverb.		
Preposition	A linking word in a sentence, used to show where things are in time or space. For example 'under', 'after', 'next', 'behind'.		
Proper noun	A noun which names a particular person, place or thing. For example 'John', 'London', 'France', 'Monday', 'December'.		
Root word	A basic word with no prefix or suffix added to it. Adding prefixes and suffixes can change the meaning of a root word.		
Subordinate clause	A subordinate clause is part of a sentence that is dependent on another part of the same sentence. A subordinate clause wouldn't make sense on its own. For example, in the sentence 'when I was a small child, I had a pet dog called Ronnie,' the clause 'when I was a small child' is the subordinate clause.		
Synonym	A word which has exactly the same or nearly the same meaning as another word.
