Dear Parent/Carer

This week is Anti-Bullying week and the focus this year is 'one kind word'. As part of this week, all children will be taking part in themed activities focussing around the act of kindness. Alongside this, we will be sharing our school's anti-bullying leaflet with the children and these will be sent home. Please read through this with your child and discuss strategies that they can use if they or others are being bullied. If you would like further information about how we tackle bullying, please read our school policy which can be found on our website.

Best wishes.
