Tuesday 6th September 2022

Dear Parents,

Welcome to Year One

We are all excited to be back and are looking forward to the year ahead. We hope you have enjoyed the summer break and we are looking forward to hearing what you have all been up to! This newsletter will give you more information about the children's learning during the Autumn terms, up until Christmas.

Meet the team

Mr Grant – Class teacher
Mrs Thorpe – PPA teacher
Mrs Goldner and Mrs Blencowe – Teaching Assistants

Topics

Our topic this term is '**Toys**', which links which links our learning together. The children will be looking at similarities and differences between old and new toys and comparing different types of materials and their uses. If you have any photos of old toys, please could email them to the office:

office.2057@queensway.oxon.sch.uk

Year One Autumn curriculum

English

We will be covering a range of genres starting with labels, lists and captions. The children will then go on to learn to read and write poetry, stories, instructions and recounts. The children will be focusing on sentence structure and the use of capital letters, full stops and finger spaces.

Mathematics

In Maths we will be focussing on place value, counting reliably to 20 and ordering numbers. Furthermore, we will explore addition, subtraction and money. The children will be using different equipment to support their understanding and a range of mathematical terms to explain their understanding.

Personal, Social, Health and Citizenship Education (PSHCE)

We will be looking at: Being my best and Me and my relationships. We will also be supporting children returning back to school and looking at how we can help each other to be part of our school community.

To find out what we are learning in all the other subject areas please look at the '**Knowledge Organisers**' which can be found on the school website.

Homework

We really appreciate your help with homework as the work set consolidates the learning that has happened during the week in school. Homework is given in a homework folder on Fridays and is due back into school the following **Thursday** to be checked.

- **English**-Children will receive Spelling or phonics homework alternating each week. Spellings will incorporate practising for a test. Phonics will incorporate an aspect from their weekly phonic lessons.
- **Maths** – Children are set one piece of maths homework to consolidate the work we have been doing in class that week.
- **Reading**- All children are expected to read for at least 5 minutes each day with an adult.

Ways you can help your child at home

We hope your child will enjoy reading with you at home. We can't emphasise enough the importance of reading with your child. They will choose one book from our class library for you both to share and we will also be sending home reading scheme books. These books will be changed once a week, so it is important that your child brings his/her book bag every day. If your child would like to change their reading book during the week (on a day other than their normal reading day), they can put their book bag into the large box labelled 'Book Bags' in class and a member of staff will then change their book. Please comment or sign the **home/school reading diary every time you hear your child read. If your child reads five times a week, they also** get a sticker to go on their reading reward chart. 5 stickers would mean that they have read 25 times and will then get a certificate presented to them in our in class Celebration Assembly.

Certificates are awarded as follows:

- 25= Bronze
- 50= Silver
- 75= Gold
- 100= Platinum
- 125= Commended
- 150= Reading Worm
- 175 = Reading Star

The children's reading record will be checked in school on a Friday to count their reads for the week; therefore, it is important that parents record ALL reading that is done at home.

Class assembly

Our class assembly will be on **Friday 21st October**, starting at **2:30pm**. We would love you to join us to celebrate your child's learning. Please come to reception and sit back and enjoy the show!

Term 1 and 2 shared lessons

Each term we will be having a shared lesson, where parents and carers are invited to come into school and take part in a lesson with their child. In term 1, this lesson will focus on history and our topic 'toys' and in term 2 our shared lesson will focus on practical maths.

Forthcoming trips

Term 1: Monday 12th September: Toy Workshop – Have toys changed? This workshop will take place at school and cost: £4.70 per child. The children will play with old toys and discuss their similarities/differences to toys today.

The cost for this trip can be paid for in instalments, via parent pay. Please speak to your class teacher/reception if you have any queries.

Term 2: Florence Nightingale (Virtual visitor) The children will meet Florence Nightingale and ask her questions about her life. No cost.

PE days

PE will be outdoors on both Tuesday (indoor) and Wednesday (outdoor). It is important your child doesn't wear necklaces, anklets or rings. They can wear small stud earrings, but it is important they are either removed on PE days or taped up. We are happy to tape them up just before the lesson. Please can you make sure that they have appropriate clothing for PE in school all times. As it will be getting colder; warm outside kit is particularly important as we will go out each week unless we have extreme weather.

Outdoor/indoor kit: Plain navy shorts or tracksuit bottoms and plain white T-shirt plus trainers. You can also provide a navy fleece or tracksuit top for cold weather.

Please ensure that all clothing brought into school is clearly named.

Forest school

Children will have the opportunity to take part in forest school on Friday morning. 1JG will take part in forest school in term 1, 3 and 5. We read a separate letter describing the details of forest school.

Snack

In Year 1 the children can bring their own morning snack to school with them. This must be a healthy snack of vegetables or fresh or dried fruit. They will still receive a free piece of fruit every day in the afternoon.

Finally, please remember to visit our class blog. This is a great way to find out what we have been up to in our class. We upload weekly photos our award winners and 'wow' moments. We send you a hard copy of your child's Google login during the 1st week back at school.

If you have any questions about anything, please ask us at the door or email the office.

We look forward to the year ahead,

Yours sincerely,

Mr Grant
Class Teacher
