Dear Parents/carers,

We are delighted to invite Parents to our fourth Shared Lesson.

We would love to invite you in for a Geography shared lesson, where we will be exploring and creating our own settlements, using the children's learning about what early settlers needed. The children will be using their Geography knowledge to design and create a settlement for early settlers, modern settlers, or a settlement of the future!

The shared lesson will take place in your child's classroom so please come to the door where you usually drop them off. We regret that we cannot accommodate siblings. We will be taking photographs of the shared lesson and uploading onto Google classroom so you will all be able to see the exciting things we do.

If you require any further information or clarification regarding this afternoon, please do not hesitate to contact us. Thank you for your continued support and co-operation.

4MR: Monday 4th March 2024 – 2-3pm
