Thursday 16th March 2023

Dear Parents/carers,

We would like to invite you to our Geography Shared Lesson from 8:45am-10:15am

Monday 27th March 2023 – Miss Ross

Tuesday 28th March 2023 – Miss Hoffman

As part of our Geography lessons this term, we have been exploring different settlements, focusing on the reasons why people choose to settle in different locations. Therefore, as part of the shared lesson, we would like the children to design and make a 3D model of their own settlement, thinking carefully about the different features needed to make a successful place. They will need to think carefully about the layout of their structure and justify their decisions.

The shared lesson will take place in your child's classroom so please come to the door where you usually drop them off for 8:45am. We regret that we cannot accommodate siblings. We will be taking photographs of the shared lesson and uploading onto Google Classroom.

If you require any further information or clarification regarding this shared lesson, please do not hesitate to contact us. Thank you for your continued support and co-operation.

Kind regards,

Miss Hoffman and Miss Ross
Year 4 Teachers
