Tuesday 15th November 2022

Dear Parents

Science Shared Lesson based on uses of materials

We would like to invite you to experience a Science shared lesson. It will take place on Thursday 24th November between 2.00pm and 3.00pm.

We will be investigating different uses and properties of materials including floating, sinking, waterproof, stretchy, absorbent and strength.

We hope that by joining us for our shared lesson you will be able to celebrate your child's learning and achievements in school. We regret that we cannot accommodate siblings. We will be taking photographs of the shared lesson and uploading onto Google classroom so you will all be able to see the exciting things we do.

Please come straight to the Year 2 class where we will have a signing in sheet.

We look forward to seeing as many of you as possible.

Best wishes.

Miss Dineen
Year Two Teacher
