Wednesday 4th January 2023

Dear Parents/carers

We are delighted to invite parents to come to our Shared Lesson on Wednesday 25th January at 8:45am.

We would like to invite you into school to come and see what your child has been learning in our Maths lessons so far this year. This shared lesson will provide the opportunity for your child to show you how they solve addition, subtraction, multiplication and division calculations through written methods such as the column method.

The shared lesson will take place in your child's classroom so please come to the door where you usually drop them off at 8:45am. We regret that we cannot accommodate siblings. We will be taking photographs of the shared lesson and uploading onto Google Classroom so you will all be able to see the exciting things we do.

If you require any further information or clarification regarding this lesson, please do not hesitate to contact us. Thank you for your continued support and co-operation.

Kind regards.

Miss Jeffries
Year 6 teacher
