

Gymnastics

Developing Movement

WHAT can my body do?

BALANCE, TRAVEL, SHAPE, ROLL, JUMP and TURN

WHERE can my body move?

DIRECTION forward, backward, sideways, diagonally, up, down

PATHWAY straight, curved, zigzag, spiral

SPACE general, personal

LEVEL high, low

HOW can my body move?

PATTERN

IN UNISON moving at the same time as partner or group

IN CANON performing the same movement one after the other

WHO/WHAT is involved?

PEOPLE on own, with partner, small group, whole group

PROPS ropes, beanbags, balls, hoops, etc.

APPARATUS mats, beams, movement tables, trestles, A-frames, ladders, benches, bird perches, climbing frames, bars, springboards, box tops, etc.

School Games Values

The six School Games values are: **Determination**, **Passion**, **Respect**, **Honesty**, **Self-Belief** and **Teamwork**, which were designed to reflect the 'spirit' of the School Games. We encourage all children to adopt and demonstrate the 'Spirit of the Games' in all PE lessons and sporting events we attend.

Key Words

Fluency - Being capable to move effortlessly and smooth with ease once mastered a skill/technique.

Body Awareness - Being in control of where and how the body is moving at any one time.

Body Tension - A force tending to straighten or elongate something.

Balance - The ability to move or to remain in a position without losing control or falling.

Control - To exercise authority or a dominating influence over something.

Aesthetics - An artistically beautiful or pleasing appearance.

Centre of Gravity - The place in a system or body where the weight is evenly dispersed and all sides are in balance.

STEP

SPACE

Level (height) – high, medium, low.

Direction – forwards, backwards, sideways, up, down

Pathways – straight, diagonal, curved, zigzag, circular

Personal / General – in, out, over, under, cross, around, towards, away from

Area – bigger/smaller, free/defined, different starting points

Distance – short, medium, long

TASK

Roles – allocate specific roles or rotate

Actions – more/less, specific/free choice, order, single/combined, different body parts, sides of body, starting/finishing positions.

Dynamics – vary speed, canon/unison, mirror, match

EQUIPMENT

By Type – balls, rubber lines, hands, feet, ropes, beanbags, hoops, bench, mats, beams, tables, trestles, ladders, poles, climbing apparatus.

By Varying – size, shape, surface, height, gradient/angle

PEOPLE

People Working – independently, in groups, in teams, with friends.

People With – different/same roles, different/same ability, different/same size.

People In – own space, big spaces, small spaces, restricted spaces, open space.

Types of Roll

Travel

Jumping

Working with a Partner

Using Equipment

- Physical activity keeps the body strong and healthy and improves mental health by decreasing depression, anxiety, pain and loneliness.
- Physical activity also improves focus, school performance, sleep and energy levels.
- Those who undertake regular physical activity enjoy improved relationships and a more positive body image.
- Regular physical activity helps your movement skills. It also, of course, helps bones become stronger and helps build a healthy heart and stronger muscles. Physical activity also helps your child keep a healthy body weight.
