Dear Parents/carers

**We would like to invite you to our Geography themed Shared Lesson on
Monday 19th May 2025 at 2:00-3:00pm.**

This term in Humanities, the children have been developing their understanding and knowledge of earthquakes and volcanoes. We are very excited to invite you to come and create a model volcano, ready for our explosion demonstrations later in the term. We can't wait to share this experience with you!

The shared lesson will take place in your child's classroom, so please come to the classroom door for 2pm. We regret that we cannot accommodate siblings. We will be taking photographs of the shared lesson and uploading them onto Google classroom, so you will all be able to see the exciting things we do, even if you are unable to attend. All children will be collected at the normal time of 3:05pm.

If you require any further information or clarification, please do not hesitate to contact me. Thank you for your continued support and co-operation.

Kind regards

Mrs Silva Nuñez
Class teacher
