

Map of our local area:

Town: Banbury

County: Oxfordshire

Village, Town or City?

An area of buildings that is smaller than a town. A village often has a church and lots of homes. Some have a small shop or post office.
Example: Bloxham.

An area that is bigger than a village and has lots more people living in it. A town will have lots more shops, housing, and places of worship.
Example: Banbury.

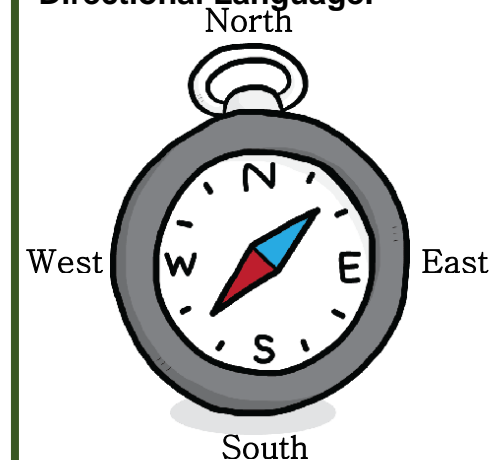

A city is the biggest area where lots of people live. There are lots of tall buildings that are close together and lots more shops than in a town. Cities are very busy.
Example: Oxford.
