Tuesday 13th January 2026

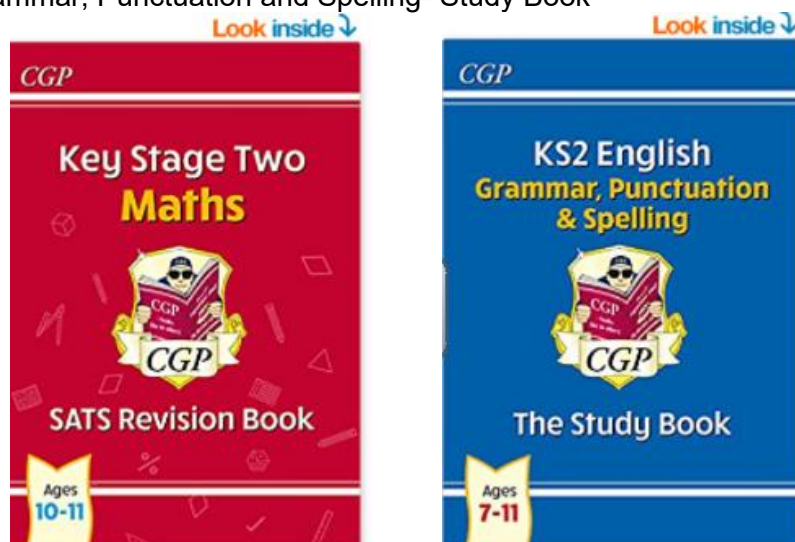

Dear Parents,

I hope that you have had a lovely winter break.

As you may be aware, the year six children will be sitting SATs papers in Reading, Grammar and Maths in the Summer term. I am writing to recommend two revision guides that will help children prepare for these assessments over the coming months:

GGP Key Stage Two- Maths- Revision Book

GGP Key Stage Two- Grammar, Punctuation and Spelling- Study Book

These books can be found on Amazon or purchased in TGJones and Waterstones. Buying second-hand copies of older editions is fine, however please ensure that the study guides bought reflect the most recent national curriculum (dated after 2014).

Although there are a wide variety of revision resources and workbooks available, the two mentioned above will be sufficient. There is no need to buy your child a science revision guide as children no longer sit a Science SATS paper.

In the past, we have had parents take children on holiday after SATs week. Your child will also be assessed in writing; however, these assessments will not take place until the first week of July. Please do not arrange any term time holidays. Holidays taken during term time in Year 6 are hugely detrimental not only for SATs but also to all of the transition work/prep we do for secondary. No holidays will be authorised.

Thank you for all your continued support. Please don't hesitate to contact us if you have any queries.

Best Wishes,
Mrs Roe
Year 5 and 6 Leader
