Monday 2nd November 2020

Dear Parents and Carers,

I am writing to you to inform you about the plans for Children in Need this year. Due to the current situation we have made the decision not to dress up, instead the children will have the opportunity to make their own decorations to celebrate the event. We also ask that you do not send your child into school with any cash, instead if you would like to donate to this fantastic cause, please can you donate directly using the following link- <https://donate.bbcchildreninneed.co.uk/>.

The theme for Children in Need this year is well-being and mental health. Over the course of the week the children will be taking part in daily activities, which aim to encourage them to stay connected, be active and give back to others with different acts of kindness. The children will also have the opportunity to participate in additional events with no extra cost, instead we ask that you donate directly. The activities that school council will be running within our bubbles this year are-

- Guess the teacher from their baby picture
- Guess the name of the teddy bear
- Joe Wicks PE challenge workout

Please encourage your children to take part in the fun events to help us raise money for this important charity. Thank you in advance for your generosity.

Yours sincerely,

School Council
