

# DT

This term the children will be learning about sculptures focusing on Roman bread and Roman busts.

Children will be focusing on designing their own busts, using other busts as inspiration, and they will then also evaluate their work.

## Outcomes:

By the end of this unit you will have designed and made your own bust and Roman bread.

We will research how Roman bread is different to the bread we eat today and create our own recipe to then bake ready for a feast.

We will then research different key figures in the Roman emperor and how their busts looked and why. We will then look at creating our own out of clay.

## Questions we will discuss about bread:

- What is similar about the bread?
- What ingredients are the same?
- What is different about the bread?
- What ingredients are different?
- How is the bread made?
- Is it made/ cooked differently?

## Some Important Roman Emperors:

- Augustus (The First Roman Emperor)
- Tiberius (The reluctant Emperor)
- Caligula (The Tyrant)
- Claudius (The Unexpected Hero)
- Nero (The Colossus)
- Vespasian (New Morality)
- Trajan (Expanding the Empire)
- Hadrian (Man of the People)
- Aurelius (The Philosopher)
- Commodus (The Cruel Gladiator)

## What we will use:

Clay

## At the end we will look at evaluating:

- What we thought went well?
- How could we improve our bust?
- What can we do differently next time?
