Tuesday 16th January 2024

Dear Parents/carers

We are delighted to invite parents to come to our Art Shared Lesson on:

Tuesday 23rd January, 8.45-9.45 in Doves class

Wednesday 24th January, 8.45-9.45 in Owls class.

As part of our Space topic, we would love parents to come into class to help us make some space-themed craft creations! We will be working on a collaborative display about the planets, making toilet roll rockets, using paint to make aliens and much, much more!

The shared lesson will take place in your child's classroom so please come to the door where you usually drop them off in the mornings. We will register the children and then let the parents in. We regret that we cannot accommodate siblings. We will be taking photographs of the shared lesson and uploading onto Google classroom so if anyone is unable to attend, they will still be able to see the lovely things we have been making. Parents will then leave at 9.45 and the children will remain for the rest of the day. If you have any toilet roll tubes at home, please could you bring those to use to make rockets! Please remember when bringing in packaging from home for junk modelling, that we are a nut free school.

If you require any further information or clarification regarding this lesson, please do not hesitate to contact us.

Thank you for your continued support and co-operation. We are excited to see you on Tuesday and Wednesday next week.

Kind regards

Mrs Kelly Guntrip, Mrs Ashley Pile and Mrs Samantha Tyler
Reception Teachers.
