

Striking and Fielding

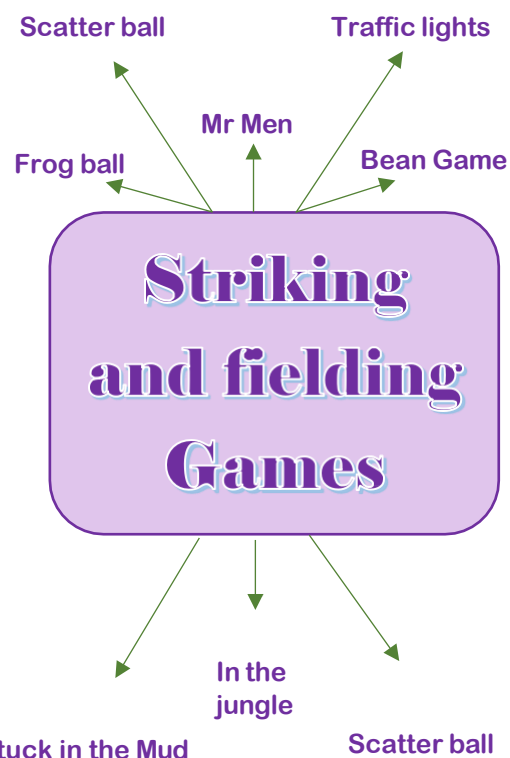

The children are going to use the skills they practised so far this year (striking, kicking and throwing) to work as a team to play striking and fielding games successfully. They will be developing their knowledge about defending and attacking to play games with more players.

Equipment:

- Large ball
- Small ball
- Cone
- Bats
- Hoops
- Racket
- Bibs
- Whistle

Key Vocabulary and Skills

Striking	The job of the striker is to aim for a target or area. The children will be striking balls with a tennis racket.
Fielding	The role of the fielders is to defend an area or to prevent the strikers/batters from scoring against them. The children will be practising this skill when playing scatter ball.
Teamwork	The children will be working as part of a team to attack the other team and score, as well as defend from the other team scoring against them.
Communicating	Communication is the key skill we will be working on this term. The children will practice talking to each other while playing.

Key Skills:

- Throwing
- Catching
- Aiming
- Striking
- Traveling
- Communicating

The value we will be focusing on this term is teamwork!

The children will try to show the games values in their PE sessions. The children that do this will be awarded the 'Player of the Week' certificate in Celebration Assembly.
