Dear Parents/Carers

Kit list for Condoover Hall Residential June 2024

I am writing to give you advance warning of the kit list required for the Condoover Hall Residential in June. Obviously, nearer the time you would need to take account of the weather forecast. Please do not buy lots of new items! Don't forget we are only away for three days and the children need to be able to carry their own luggage. We will have a parent meeting about the residential in Term Five where we will be able to share more details about the activities that we will be doing and discuss any specific dietary requirements, medication, and medical needs.
