Dear Parents/Carers

Advance Notice of Increased Prices – School lunches

As you will remember we changed our school lunch provider to Fresh Start last April and since that time we have been pleased that the children have enjoyed a wider selection of fresh foods at lunchtime.

We have been advised by the school lunch provider, Fresh Start, that due to rising costs of food and staff, the price of the school lunch will increase from 1st September 2025. The new price will be £2.65.

It has been two years since we increased the price of the lunches and we trust that you will consider the price still to be good value for money.

For your information children in Reception, Year 1 and Year 2 are entitled to free school meals through the Universal infant free school meals scheme. The benefits related Free School Meals remains the same.

We would like to thank you in advance for your understanding.

With best wishes

Yours sincerely

Mrs Sarah Horbury-Jakeman
